

## Insufficient Funds (NSF) – Press Info. 3/10

This band's versatility shines through their music which includes everything from jazz, folk, soul, disco, R & B to country and classic rock. Their forte is playing music for all ages. They play enough variety to please every taste. NSF specializes in weddings, private parties, reunions, proms, fundraisers and corporate events. Their humor and crowd interaction blended with their exceptional musical talent and harmonies have set them apart for the last 17 years.

NSF has been the opening act for such artists as Steve Wariner, Johnny Rivers, Jerry Jeff Walker, The Beach Boys, Robert Earl Keen and Creedence Clearwater. They have also represented this area in Austin during "Panhandle Appreciation Day". Their busy schedule includes 50+ events a year. They have become a favorite not only in the Texas Panhandle but Oklahoma, Denver, Dallas and Fredericksburg.

The Amarillo Globe News readers survey voted NSF the BEST BAND for the last 5 years. Band members include: Chuck Alexander on Bass and Vocals, Mary Lyn Halley on Guitar and vocals, Vic Richardson on Drums and Dean Yates on Guitar and vocals. The band began in 1993 with Alexander, Halley and Yates playing together. They added Richardson as the drummer in 1997. They attribute their longevity to their "love of music and the friendship between them". "It is not about us, it is about everyone else having a good time."
