### MotoCross daredevils seek serious air time

GUYMON, Okla. – Wild horses and bulls won't be the only high-adrenaline action at Henry C. Hitch Pioneer Arena during the Guymon Pioneer Days Rodeo.

Sure, seeing cowboys handle some of the nastiest bucking animals in the sport is a thrill-a-second action. But this year's festivities will also include the daredevil riders from the Pro-Tour FMX Freestyle MotoCross Exhibition team.

Led by former California 4-stroke champion D.J. Umphres, the team of athletes have performed some of the most exciting and dangerous motorcycle tricks ever seen. Having performed throughout North America, Pro-Tour FMX brings a whole new meaning to the term "gravity test."

During the action-packed performances, fans at Hitch Arena will witness riders launching their supercharged 250cc dirt bikes more than three stories high at distances of more than 75 feet. They'll also be performing tricks like the "Double Grab Heart Attack," "Clif Hanger," "Tsunami," "One-handed Indian Air," "Cat Knack," "Lazy Boy" and "Seat Grabs Heel Clickers."

It's From One Extreme To Another, and it's why every year thousands of adoring fans find their way to Guymon for the best rodeo in the region. It's why the top cowboys and cowgirls make their way to Texas County to play the game.

It's the Guymon Pioneer Days Rodeo.
